FOREWORD

Nowadays anyone can write a book. However, the books that are life changing are far and few in between. Crystal Wilson, who is a recent graduate of my school TBS (Transformation Bible School) has authored one of the most auspicious literary works that I have read in years.

I have known Crystal Wilson for nearly seven years and have found her to be an avid learner and wonderful orator. Recently, Ms. Wilson revealed her desire to write a book she believed would help her sisters; and she has done just that, beginning with me.

Are you looking for a covering, reminds me of all the times that God created a need in my life, so that he could make the pro-vision; teaching me that he is God and besides him, there is no other. Ultimately, I learned from my experiences. However, many of us have fallen perpetually in the web of being in a relationship with someone that God

never intended for us because we... *“Settled”!*

Crystal allows her experiences to be the model for her simplistic instructions given through profound revelations, and then concludes each chapter with a powerful prayer.

Written in plain language to reach all audiences, I heartily recommend this book for instruction, reproof, correction and empowerment to become a woman covered by God! Why accept less when you can have God’s best!

ACKNOWLEDGEMENTS

I honor God by being obedient to writing this book. All glory and honor goes to Him because He is my savior and keeper; “Jesus Christ”.

I tribute this book to my mother, Margaret A. Barrington, who encourages me to be what God wants me to be by making sure my covering didn't have any holes in it. To my father Dr. James Lee Barrington, who always told me if I didn't learn anything each day, then the day had been a waste. I honor my Pastors: Dr. Darrell and Reverend Annette Barrington who have covered me with a lot of prayer and supplication during this process. I wish to thank my brothers and sisters for their love, support and prayers in the birthing of this book and I also honor Apostle Prophetess Despina Parker who imparted many spiritual gifts so that I may be established and equipped so the seed would remain. Last, but certainly not

least, to my daughter who has kept me focused on my covering in order to keep her covered at an early age. I pray that you will learn something from this book and that it won't be a waste of your time or money. Also, I pray that God will give you His wisdom, knowledge, understanding and insight concerning the hidden mysteries of his covering that he has unveiled to me in this book by the aid of the Holy Spirit.

INTRODUCTION

The mission of this book is to take away the shame and reproach of single women by sharing the anointed covering of God and to prepare and equip women for strength in the ministry.

This book is based on the scripture Isaiah 4:1, *“In that day, seven women will take hold of one man and say, ‘We will eat our own food and provide our own clothes, only let us be called by your name and take away our disgrace’”*

This scripture is so powerful because we are currently in this time right now. Many women are saying, “I don’t care if you have another woman or even two as long as I am one of them or the first woman.” A lot of women are saying, “I don’t care if you are married, separated, divorced or single, as long as you can cover me.” Some women are saying, “I don’t even care if you are gay, bi-sexual or straight as long as you cover me. Others are saying, “I don’t care if you are a good provider, saved, believe in Jesus, or an atheist, as long as you cover me.”

Why are people so intent on looking for a covering? What is so special about a

covering? We say, “So what if you are trifling, crack addicted, an alcoholic or a womanizer as long as you cover me.” What are we women of God thinking? Do we not know that we are “*wonderfully and beautifully made*” as it says in Psalms 139:13-16 NIV? We have to know that because we don’t fit the pattern that man says, we are still God’s people. Don’t you know that God has already seen your unformed body? All the days of your life have been ordained and written before they even come to be. It’s not about the men; it’s about God and you. I know you have all heard the verse where it says, “*Seek ye first the kingdom of God, and His righteousness; and all these things shall be added unto you*” (Matthew 6:33). Then we say, “How long Lord do I have to seek before you send me the man of my dreams?” The other scripture we hear is, “*Delight yourself in the Lord and He will give you the desires of your heart*” (Psalms 37:4). Then we say, “I am delighting Lord, but I am still lonely. It is a bitter pill to swallow when you want someone to cover you.” Most women are saying, “Will the real man please stand up and cover me!”
